Why Oxford Academic

You can now find our growing body of three million journal articles, 400,000 book chapters, and two million images and multimedia in one place, allowing for a streamlined user journey.

Get a site tutorial

academic.oup.com/pages/using-the-content

Find

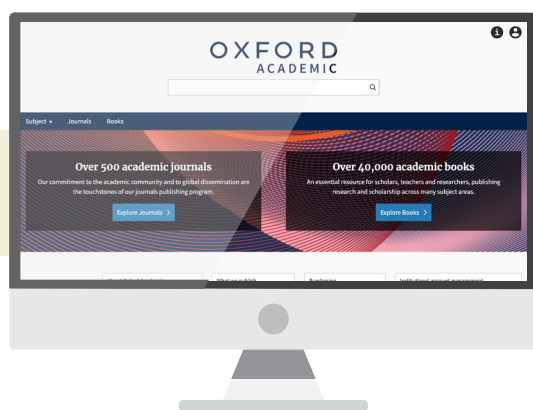

- Search content across books and journals or within an online product.
- Refine searches by institutional availability, format, subject, series, partner press, and more.
- Easily navigate to well-regarded products, series, and collections, including *Very Short Introductions*, *Oxford Handbooks Online*, *Oxford Scholarship Online*, *Oxford Medical Handbooks*, *Oxford Medical Textbooks*, and *Treatments That Work*.
- Find books published on behalf of our partners, including other university presses and the *AMA Manual of Style*.

Use

- Access content from any device.
- Intuitive display features such as graphical abstracts and side by side viewing.
- DRM-free downloadable chapters and images.
- Modern, accessible, and inclusive platform.
- Updated features and functionality developed to Web Content Accessibility Guidelines.

Manage

- A new, single admin portal to manage all your OUP products with continued access to helpful administrative tools including:
 - COUNTER compliant usage statistics
 - Title lists
 - MARC records
 - KBART files
- Self-serve holdings report
- Simplified information pages to better support customers and users

Oxford Journals Archive

academic.oup.com/journals/archive

Oxford University Press is committed to the dissemination of high-quality research by digitising the backfiles of the journals we publish—safeguarding the excellent scholarship of the past in order to serve the scholars of today and in years to come. **The Oxford Journals Archive** enables you to provide this highly influential content for your library users through a subscription or a once-only purchase of perpetual access. Subscribe to or purchase the full Archive of more than 200 journals or any of the five subject archives: Medicine, Science, Humanities, Social Sciences, and Law. You can also purchase journal archives on a title-by-title basis.

The Oxford Journals Archive spans more than two centuries of scholarship, from 1791 to 1995. It includes the backfiles of many prestigious titles, such as *Brain*, *The American Historical Review*, and *The Quarterly Journal of Economics*.

Oxford Near Archive

The **Near Archive** enables you to complete your library holdings through online access to high-quality journal content. This once-only purchase option provides you with perpetual access to content published from 1996 to 2020. This Near Archive access period is already available to a journal's current subscribers. The Near Archive is available as a package deal or on a title-by-title basis.

OXFORD UNIVERSITY PRESS SUPPORTS

Open Access

As the largest university press publisher of Open Access (OA) research, Oxford University Press (OUP) is opening the doors to research you can trust. In 2022, we published over 22,000 OA articles.

More than 110 of our titles are fully OA, with 400 journals offering OA publishing options.

Additionally, OUP offers Read and Publish agreements to institutions and consortia. As part of our commitment to OA publishing, we provide these agreements to combine access and OA publishing for your institution.

Oxford Handbooks Online

academic.oup.com/oxford-handbooks-online

Oxford Handbooks Online is an outstanding collection of the best Handbooks in 18 modules. One of the most prestigious and successful strands of Oxford's scholarly publishing, *Oxford Handbooks* brings together the world's leading scholars to write review essays that evaluate the current thinking on a field or topic, and make an original argument about the future direction of the debate.

Each Handbook is published on Oxford Academic, with new articles added every month to upcoming Handbooks in advance of print publication. This means that alongside online-only content, readers can find the most current, authoritative coverage in the *Oxford Handbooks* series alongside high-quality journals, monographs, and academic titles from Oxford University Press and its partners.

The content

- Advisory boards of subject experts ensure accuracy, authority, and objectivity and will commission online-only peer-reviewed articles expanding research in cutting edge topics.
- Articles publish online first monthly – immediately upon passing through OUP's peer review process, ensuring that users have access to current, scholarly thought instantaneously.
- DRM-free PDFs
- Review our [information pages](#) which provide a wealth of support, including [promotional and training tools](#), [MARC records](#), [KBART files](#), [usage statistics](#), and more.

Oxford Reference

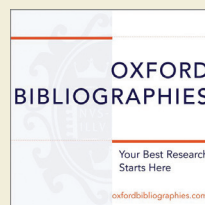

oxfordreference.com

Oxford Reference is the premier online reference product, spanning 22 different modules and bringing together 2 million digitised entries across Oxford University Press's Dictionaries, Companions, and Encyclopedias. DRM-free PDFs are available.

Oxford Bibliographies

oxfordbibliographies.com

Oxford Bibliographies provides faculty and students with seamless pathways to the most reliable resources on a variety of topics. Each article is a guide to current scholarship on a topic, written and reviewed by academic experts, with

original commentary and annotations by top scholars. This sophisticated recommendation service allows scholars and scientists worldwide to share sources used in their studies. Those sources are then rigorously peer reviewed and vetted to ensure accuracy and objectivity, giving your institution instant access to the most comprehensive, trusted database of expert knowledge.

The Collections

OXFORD REFERENCE LIBRARY

- In-depth, specialised content from Oxford University Press's award-winning Encyclopedias and Companions
- Incorporates Oxford University Press's most visited titles, including *The Grove Dictionary of American Music* (2nd ed.) and the *Oxford Classical Dictionary* (4th ed.)
- Works from distinguished partners, allowing users to further build their research

OXFORD REFERENCE PREMIUM

- Core subject, language, and quotation dictionaries for readers who want to check a fact instantly
- A selection of in-depth, single-volume works from *Oxford Reference Library*, many of them being *Oxford Companions*
- All 22 modules represented across hundreds of titles

Oxford English Dictionary

oed.com

The *Oxford English Dictionary* (OED) is the most authoritative and comprehensive record of the English language in the world, tracing the evolution and use of words over the past 1,000 years.

As a historical dictionary, the OED is very different from those of current English, in which the focus is on present-day meanings. You will still find these in the OED, but you will also find the history of individual words, and of the language, traced through more than 3 million quotations.

The Resource

- The only English dictionary that aims to trace the first recorded use of every sense of every word to show when it entered the language
- The Historical Thesaurus of the *Oxford English Dictionary* allows users to explore the different words used for a particular concept or meaning over time
- OED Timelines help users discover when words entered the English language by subject, region, or origin
- Each entry shows sense development and quotation evidence and links to related entries—unlocking the history of every word
- Quarterly updates include hundreds of new and revised meanings
- In-entry links have been added to pertinent quotations so *Oxford Scholarly Editions Online* subscribers can directly see the context in which it is used

Grove Art Online

oxfordartonline.com/groveart

Grove Art Online is the foremost scholarly art encyclopedia, covering both Western and non-Western art. First published as the landmark 34-volume *Dictionary of Art*, edited by Jane Turner, the content of *Grove Art Online* encompasses all aspects

of visual culture. It features articles about topics as varied as Fauvism and Frida Kahlo, bibliographies for further research, and thousands of searchable images made available through Oxford's partnerships with museums, galleries, and other outstanding arts organisations.

- *Grove Art Online* is a living resource, with scholars and specialists from around the world continually reviewing and updating existing content and contributing new articles
- In addition to the vast number of entries on the visual arts, *Grove Art Online* features exceptional learning resources that organise the content for use in art and art history classrooms
- Available on the Oxford Art Online platform, *Grove Art Online* is cross-searchable with the *Benezit Dictionary of Artists* (dual subscription required)

Benezit Dictionary of Artists

oxfordartonline.com/benezit

Since its first publication in 1911, *Benezit Dictionary of Artists* has become one of the most comprehensive and definitive resources of artist biographies available. Featuring more than 169,000 clear and concise

entries covering artists across all media, *Benezit* is distinguished by its coverage of lesser-known artists, images of artists' signatures, historical auction records, and lists of museum holdings.

- Updated regularly to reflect new scholarship, additions to the bibliographies, and corrections
- Features more than 11,000 images of artist signatures, monograms, and stamps of sale
- Learning resources, including thematic guides and abbreviations, enable quick and easy access to featured content

Grove Music Online

oxfordmusiconline.com/grovemusic

Grove Music Online is the leading resource for music research. This comprehensive resource draws from the full texts of *The New Grove Dictionary of Music and Musicians* (2nd ed.), *The New Grove Dictionary of Opera*, and

The New Grove Dictionary of Jazz (2nd ed.) and also includes new and updated articles and bibliographies exclusively available online. Featuring over 52,000 articles, from Bach to Beyoncé, *Grove Music Online* is the go-to resource for students and scholars alike.

- *Grove Music Online* is a living resource, with scholars and specialists from around the world continually reviewing and updating existing content and contributing new articles
- In addition to the vast number of articles, *Grove Music Online* also features a host of learning resources, including timelines and subject guides that organise content for use in the classroom
- Many of the recent additions to *Grove Music Online* come from two new print publications, *The Grove Dictionary of American Music* (2nd ed.) and *The Grove Dictionary of Musical Instruments* (2nd ed.)

Oxford History of Western Music

oxfordwesternmusic.com

The award-winning *Oxford History of Western Music* offers an unmatched narrative account of the evolution of Western classical music. Providing brilliant observations, memorable musical analyses, and a panoramic sense

of the interaction between history, culture, politics, art, literature, religion, and music, it is an essential resource for anyone interested in the rich tradition of Western music. The driving force behind the *Oxford History of Western Music* is Richard Taruskin, one of the most prominent and provocative musicologists working today.

- Access the full text from the *Oxford History of Western Music* with notes, bibliographies, and further readings for all chapters
- Browse 500 illustrations, 1,800 musical examples, and the index from the 2009 print edition
- For users that also have access to Grove Music Online (GMO), Taruskin's text is accompanied by editorially selected links to relevant articles in GMO.

American National Biography Online

anb.org

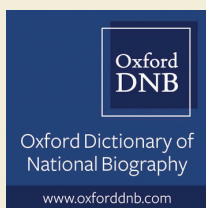

Discover the lives of more than 19,000 men and women—from all eras and walks of life—who have influenced American history and culture in the acclaimed *American National Biography Online* (ANB). From missionaries to musicians,

social workers to statisticians, and cowboys to chemists, the portraits in the ANB combine to reflect the rich diversity of American life, from pre-colonial times to the present.

Oxford Dictionary of National Biography

oxforddnb.com

The *Oxford Dictionary of National Biography* is the national record of men and women who have shaped British history and culture worldwide, from the Romans to the 21st century. The Dictionary offers over 60,000 concise, up-to-date biographies written by named,

specialist authors as well as over 500 themed articles. Overseen by academic editors at Oxford University, it is an invaluable resource for students, teachers, researchers, and academics concerned with the British past.

Who's Who and Who Was Who

ukwhoswho.com

Who's Who and Who Was Who is the leading source of up-to-date information on over 120,000 influential people from all walks of life worldwide. Containing autobiographical listings of people from around the globe who

have had an impact on British life, including senior politicians, judges, civil servants, and notable figures from the arts, academia, and other areas, it is seen as one of the world's most recognised and respected works of reference.

Join our Librarian Research Panel

The Oxford University Press (OUP) Librarian Research Panel solicits regular feedback from librarians on a range of topics such as:

- Open access
- Metadata
- Discovery initiatives
- Platform usability and user experience
- New and existing business models

Members provide critical feedback to help inform future strategy and initiatives at OUP.

How the programme works:

- By registering, you are indicating an interest in future research activities.
- We will email you with invitations to participate in activities, including surveys, one-on-one interviews, or research studies.
- You can then decide whether you want to participate—there is no obligation!

Oxford Scholarly Editions Online

oxfordscholarlyeditions.com

Oxford Scholarly Editions Online (OSEO) features authoritative online editions of original works by some of the most important writers and philosophers in the Humanities, from William Shakespeare to William

Wordsworth, Jane Austen to Plato. While preserving the traditional link with print, OSEO has broken the print editions apart to put the texts themselves front and centre, making them fully accessible to students and scholars worldwide.

- Academic advisors, alongside Editor-in-Chief Michael F. Suarez, S.J., ensure the highest editorial standards
- Digital innovations include notes and extra links that keep pace with the text; advanced search and widgets to find references anywhere on the web; “read alongside” features to compare different volumes, texts, and translations simultaneously; and content that is digitally citable with easily exportable references
- Recent updates include works from Homer as well as literature from the 20th century

Oxford Public International Law

opil.ouplaw.com

Oxford Encyclopedia of European Union Law **NEW**

opil.ouplaw.com/home/OEEUL

The Oxford Encyclopedia of EU Law (OEEUL) is a new product within The Oxford Public International Law family, which provides an analytical overview of European Union (EU) law. Articles from this encyclopedia address a range of subjects that seek to provide the best coverage of the development and history of European Union law. This resources can be utilized by scholars, advanced students, lawyers/solicitors, and judges.

Oxford International Organizations

opil.ouplaw.com/home/OXIO

Oxford International Organizations collects and analyses primary materials on international organisations, ranging from their constituent instruments, resolutions, and agreements with host states to national and international court decisions and states' declarations and policy statements. Headnotes include expert analysis of each document, setting out their impact on the internal working of the organisation in question and the development of the law of international organisations generally.

Max Planck Encyclopedias of International Law

opil.ouplaw.com/home/MPIL

The *Max Planck Encyclopedias of International Law* is a comprehensive resource containing peer-reviewed articles on every aspect of public international law. This definitive reference work contains both the *Max Planck Encyclopedia of Public International Law* and the *Max Planck Encyclopedia of International Procedural Law*. Written and edited by an incomparable team of scholars and practitioners, the encyclopedias are published in partnership with the Max Planck Foundation for International Peace and the Rule of Law and the Max Planck Institute Luxembourg for Procedural Law. This resource is updated throughout the year, providing an essential resource for anyone researching or teaching international law.

Oxford Reports on International Law

opil.ouplaw.com/home/ORIL

Oxford Reports on International Law has set new standards for currency and coverage of public international case law, reporting on international courts, domestic courts, and ad hoc tribunals. Case reports contain the full text of each decision and headnotes as well as analytical commentary and English translations of a number of key non-English decisions.

Oxford Scholarly Authorities on International Law

opil.ouplaw.com/hom/OSAIL

Oxford Scholarly Authorities on International Law contains full-text online editions of market-leading reference works and treatises published by Oxford University Press, such as *Oppenheim and the Oxford Commentaries on International Law*.

Oxford Historical Treaties

opil.ouplaw.com/home/OHT

Oxford Historical Treaties is the premier resource for historical treaty research and home to the full text of The Consolidated Treaty Series (CTS), the only comprehensive collection of treaties of all nations concluded from 1648 through 1919. Individual treaties from within the series are reproduced as PDFs exactly as they appear in the print series and are searchable by treaty party, CTS citation, date range, treaty title, and description.

Oxford Constitutional Law

Max Planck Encyclopedia of Comparative Constitutional Law

oxcon.ouplaw.com/home/MPECCOL

The Max Planck Encyclopedia of Comparative Constitutional Law allows readers to study constitutional issues in depth and in their historical, conceptual, and regional contexts, which allows for wide-ranging research into related areas and topics. The Encyclopedia links to Oxford's comprehensive online collection of national and subnational constitutions and other comparative constitutional scholarship via the Oxford Law Citator.

Oxford Constitutions of the World

oxcon.ouplaw.com/home/OCW

Oxford Constitutions of the World is the only resource to contain fully translated English-language versions of all the world's constitutions (national, subnational, and indigenous polities), accompanied by individual jurisdictional commentaries and supplementary materials, including foundation documents, historical versions of constitutions, and amendment acts/laws.

US Constitutional Law

oxcon.ouplaw.com/home/USC

US Constitutional Law provides a comprehensive research resource on the law, politics, and history of constitutionalism in the United States at the federal and state levels. Combining extensive primary materials with expert state-by-state commentary from the series *Oxford Commentaries on the State Constitutions of the United States*, the service provides researchers with unparalleled access to the historical development of federal and state constitutionalism.

Oxford Competition Law

oxfordcompetitionlaw.com

Oxford Competition Law combines market-leading commentaries with rigorous, selective national case reports and analysis from EU member states. It is continually updated with cases and materials, a must-have for practitioners and legal scholars needing up-to-date information quickly.

Includes:

- Bellamy & Child: *European Union Law of Competition* (with online updates)
- Faull & Nikpay: *The EU Law of Competition*
- Whish & Bailey: *Competition Law*

Investment Claims

oxia.ouplaw.com/home/ic

Investment Claims is a collection of high-quality content on international investment arbitration. This resource includes peer-reviewed case reports, key monographs, arbitration awards and decisions, and treaty overviews from expert correspondents.

Oxford Legal Research Library

oxfordlegalresearch.com

The *Oxford Legal Research Library* provides access to key law titles across four subject area collections. These collections bring together authoritative titles—established and new—written by world-renowned authors, making them essential to all those advising on or researching in these areas.

Includes:

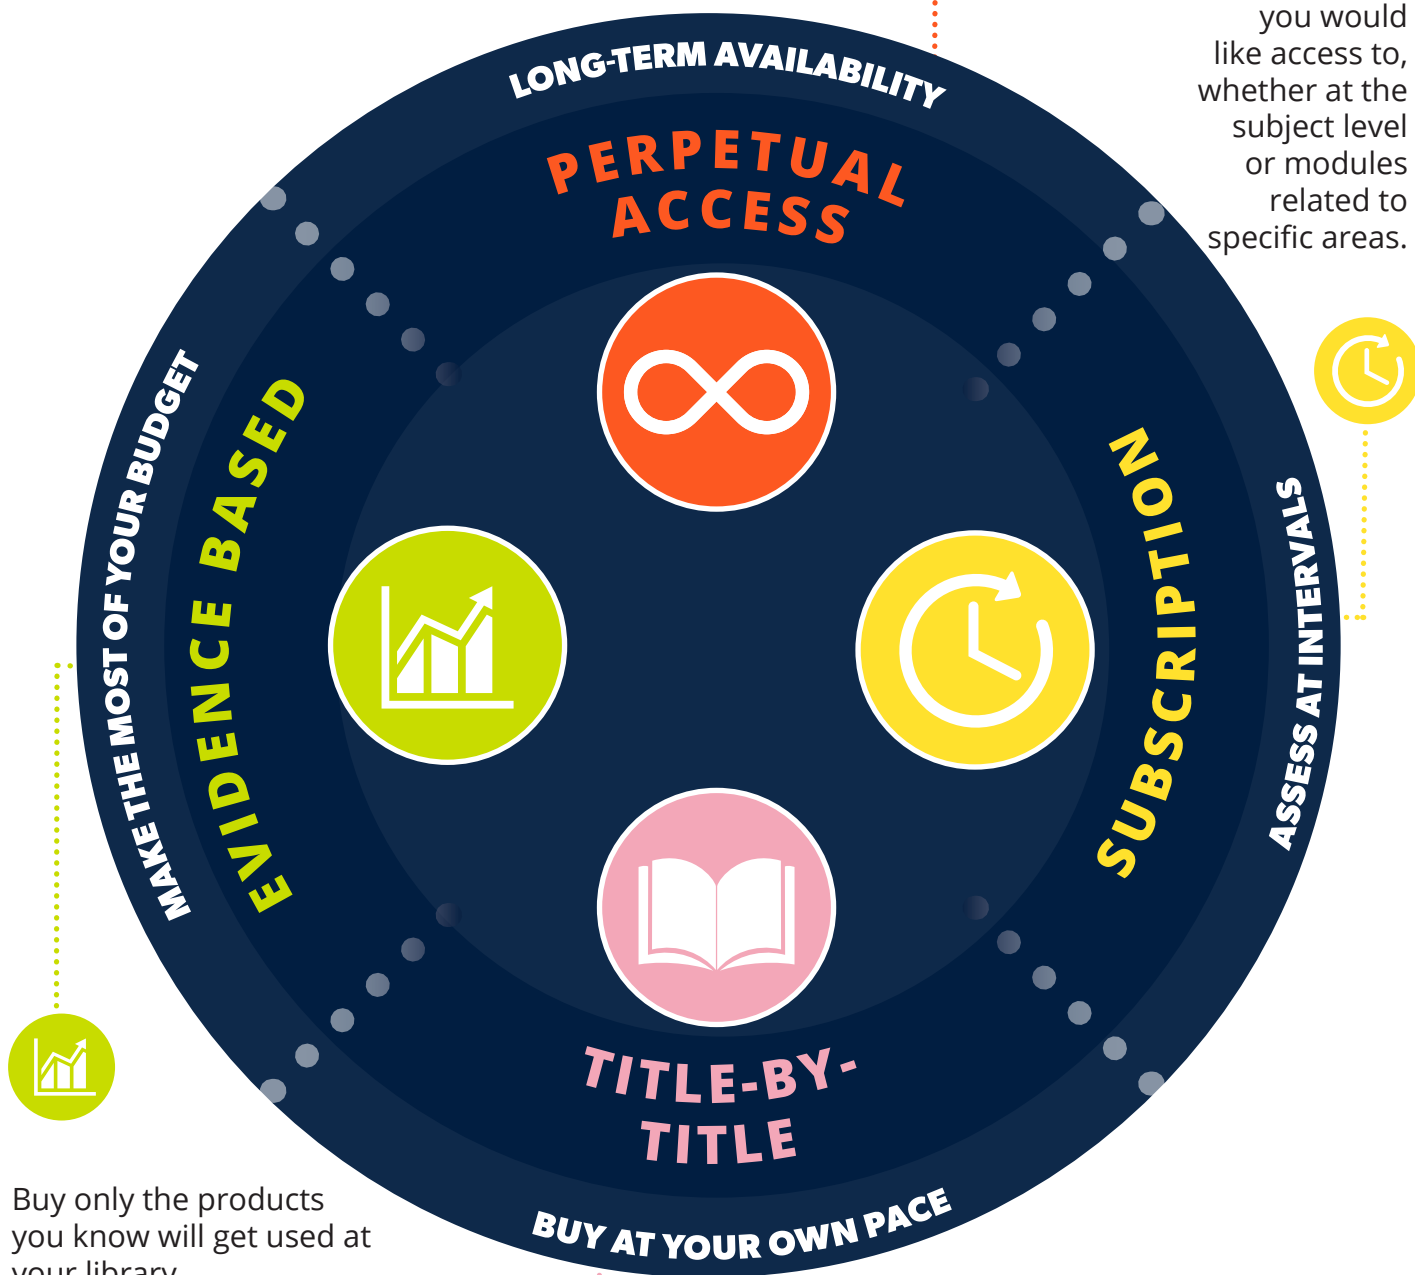

- *International Commercial Arbitration*
- *International Commercial Law*
- *Financial and Banking Law*
- *Private International Law*

Flexible purchasing options

Make a one-time purchase for current or backlist content, individual subjects, or a complete collection.

Pick and mix the content you would like access to, whether at the subject level or modules related to specific areas.

Buy only the products you know will get used at your library.

How it works:

1. Receive custom pricing.
2. Grant patrons access for 12 months.
3. Evaluate usage reports to make data-driven purchasing decisions.

Build your library's selection of e-books via one-time purchase of only the titles you choose.

Contact your sales rep or email library.marketing@oup.com to learn more.

Availability may vary by product or region.

Developing Countries Initiative

academic.oup.com/pages/purchasing/developing-countries-initiative

As a mission-led university press publisher, Oxford University Press (OUP) strives for maximum impact and dissemination of our content worldwide.
